MOTHER RED CAP

SIMPLE PUB LANDLADY
...OR WITCH?

In the early 1600s, she hosted waifs, strays and vagabonds right here in this pub! Legend has it she was a herbalist, practiced the occult, and murdered her lovers—one was allegedly found in the oven! Her notoriety was so great that the Devil himself reportedly visited her deathbed in 1676. Nobody ever saw him leave!

*Today, The World's End honours "Mother Redcap's" tradition: all saints and sinners are welcome.
Don't worry, though—we only use the oven for pizzas now!*

PIZZA

For our pizzas, we use fresh sourdough that has been hand stretched, resulting in a crisp base with an irresistible crust.
